

On behalf of the Book Committee I thank the many people who have contributed to the production of these reflections.

We have relied heavily on the histories of the Branch as developed by:

Neil MacDonald
Dr Neville Green AM
Dr Wolfgang (Wally) Frick
Dr Yow Yit Seng

Without blaming them for any inaccuracies that have developed through our interpretations. We appreciate the people who have made written contributions reflecting their knowledge of the activities of the Branch.

Ms Ann Begg	Mr Geoff Davis AM
Mr Kok Foo Chang	Mr Brian Hassell
Ms Nancy Chen	Mrs Noela Hassell
Mr William Chi	Mrs Fran Kininmonth
Mr Chance Zhang	Ms Teresa Moy
Mrs Anne Greive	Mrs Helen Rigby
Dr Shane Greive	Mr Arnold van Son
Ms Roz Hanley	Mr Zhiyuan Wu

Ms Rosalind (Roz) Hanley deserves a special mention as her personal knowledge provides historical accuracy and detail about the activities of the Branch. We are especially appreciative of her help in the sections on Delegations, Exhibitions and Tours. The Society is extremely grateful to her for organising these activities over many years.

A great deal of research was required to extract information from the Branch's Minutes and newsletters. I thank the group for helping with the research and combining it with the contributions to produce this work. Special thanks to Mr Kok Foo Chang who chaired the Book Committee and Ms Teresa Moy who assisted in the final editing.

The book is as accurate as our records and memories permit.
Thank you

David Kininmonth
Chief Editor

The exchange of ideas, culture, technology and educational opportunities help build a bridge of friendship and understanding between our countries.

The story of the painting is of the parents waiting for their only child to return home for the Spring Festival. Artist: Xia Yongxue
