ACFSWA Chinese Language Student Awards for 2020
Independent and Community Schools

The Australia China Friendship Society of WA presents annual Awards for Primary and Secondary school students who have made a significant effort towards their studies of the Chinese language and Chinese culture.

These Awards now continue into 2020 after very successful previous years and we have seen them become a prestigious yearly Award for students to aspire to.

In 2020 we are also inviting teachers from Independent/Community schools to nominate Chinese Language students who, they feel, have put in a significant effort in their study of the language and culture.

The Awards are designed to honour and encourage these students in their studies.

- How will the awards work?
 - Nominations can be received from both Independent and Community schools.
 - The number of nominations from each school per each category should not exceed one (1).
 - Nominations to be received by 21st August 2020.
 - An independent panel will assess the nominations and decide on the final number of awards.
 - Advice will be given to schools approx one week before the presentations.
 - The presentation of awards to be held at a special function 19th September 2020 (venue *TBA.*)
